Please do not bring:

Snackbar

Each day the campers will have a chance to go to the Snackbar (tuck shop). The Snackbar contains ice cream, chocolate bars, gummies, drinks etc. If you have not added money to your child's Snackbar account you can do so upon your arrival the first day or call the Teen Ranch office. Any money not used by the end of the week will be refunded at Friday pick-up. If it is not collected it will be donated to Teen Ranch Indonesia.

Lost & Found

Please mark all clothing with "child's name." Lost & Found is only kept for 30 days. We highly recommend that you do not pack expensive cameras, watches, jewelry, clothing, etc. for camp. Teen Ranch assumes no responsibility for wear and tear, damage to, or loss of camper's clothing, equipment or belongings for any reason.

Weather

We try to keep your children outdoors whenever possible. Our facilities do include a number of buildings that are available for use if the weather does turn extreme. We do ask that you send your child with weather appropriate clothing as they will be outdoors regardless of rain and sunshine.

Food Allergy Policy

Our desire is to create a safe environment for young people; however we are not a peanut free facility. Please ensure that your child can self-manage their condition at camp. Please remember that the **Snack Bar is not a peanut free environment.**

Medical Policy

In case of an emergency, injury or sickness that demands medical attention or hinders that camper's ability to participate in daily activities, the parent will be notified. REFUNDS for early departures due to sickness will be granted only on receiving a note from your family physician stating the necessity to do so.

ALL MEDICATIONS are to be handed to the Day Camp Staff upon arrival. A note of explanation is needed for any medication, allergies, emotional, mental and behavioural needs a camper may have. This should be handed in with your child's application form.

Special Needs

Teen Ranch staff ratios do not allow for one to one supervision nor are staff trained to handle campers with special needs. If a child has special needs that would impact their stay (or that of others) while at camp, this information must be given in full to the Camp Registrar at the time of initial registration. If a child has a support worker in the school system, they are welcome to take part along with their support worker in suitable Teen Ranch day camp programs. Support workers are to be provided by the parent/guardian.
