

Easter Round Up

Saturday April 20, 2019.

1-5pm

Fundraiser for “The Little Gaffers”

This is a HUGE community event that offers a fun day for families, while helping others that are in need!

At Teen Ranch, we never turn away a child due to financial need. The funds from this event go to the Teen Ranch Scholarship fund which steps in to cover either all or a portion of the camp fees that the family is unable to pay. We believe every child should have the chance to go to camp despite their financial situation.

We sponsor kids from individual families who are struggling as well as work with programs within Canada and the US. For instance, we have been working with Ice Hockey In Harlem for many years, which selects youth from the Broncs in New York who show hard work and good behaviour. They supply them with equipment and the chance to play hockey. We fly them to Canada to get a taste of summer camp, where they are in a safe and loving environment. These kids have some amazing and scary stories from their hometowns and are incredibly grateful to be given the chance to come to Teen Ranch.

“But good men will be generous to others and will be blessed of God for all they do.” Isaiah 32:8
