Safety

Staff Ratio: We are proud to provide a 10:1 camper-to-staff ratio for children ages 5-8, and a 12:1 camper-to-staff ratio for children 9-18 in order to ensure your child is safe and secure at all times.

Aquatics: All campers will be required to pass a swim test prior to swimming in the pond without a life jacket and there is an appropriate number of Certified Lifeguard staff at the pond at all times during swimming hours.
